THE NUMBERS DON'T LIE.

Below is a screenshot of an agent's real **virtual seminar registration report**. For example, look at the first line. This shows that one Facebook ad generated **42 verified registrants** for only \$23.50 per registrant, or a total of \$986.91. Take a look at all the numbers, and the cost. Our agents are literally saving \$3 - \$5,000 or more by using this simple virtual seminar system.
